Jewel-Osco is celebrating 125 years of serving customers this year – that is a very long time. You may be asking yourself, as amazing as that is, is it possible that the passion for **customers, culture** and **company** could be embodied in a single individual – as in woven into their actual DNA, the make-up of who they embody as a person? Wonder no more, as we'd like to introduce you to **Sherri Ahlgrain**, Front End Customer Service Operations Specialist for Jewel-Osco. Sherri was literally born and raised within Jewel-Osco with her mother and father having worked for the company for over a combined 75 years. Her dad, Quentin, was a Meat Market Manager with over 25 years with the company and her mother, Eileen, was a **Front End** Manager with over 50 years. Even her brother, Quentin Jr., spent some time in the company (2 years). Add in Sherri's current 43 years of service, and between the family they have 120+ years and counting -- giving the 125-year Jewel-Osco brand a serious run for its money! Some of Sherri's best childhood memories were listening to her parents talk about their days at Jewel-Osco, attending family picnics and participating in company outings. As soon as she turned 16, Sherri was asking to get a job at Jewel to join the family legacy, starting as a bagger and working her way up through the ranks to join her mother leading customer service teams as a **Front End** Manager.

Sherri is truly a local gem of Jewel-Osco, known internally as "The Fixer" as there is no issue that she can't tackle and resolve. And when you think about SPIRIT, Sherri is the living embodiment of what this excellence award is intended to recognize.

Sincere: You'd be hard pressed to find an associate more sincere and customer driven than Sherri. She is always taking the next step, the one further than most, in every instance. Whether it be personally delivering groceries to homebound customers who didn't have internet access, meeting 1-on-1 with customers who need assistance with their Just4U app, or simply figuring out how to 'give them the pickle' to resolve their concerns and make local customers for life, Sherri finds a way.

People First: Genuine care and concern is what Sherri leads with every single day. Sherri is the first to not only raise her hand to those in need, but also get others to immediately jump in to help. When Store Director Gordon Baily experienced a devastating car accident leaving him paralyzed from the waist down, Sherri was there, coordinating meal trains for the family, keeping Gordon's spirits up with visits and communication from the district team, organizing fundraisers to help the family financially, and even spearheading volunteers to help with home landscaping to brighten his spirits. Sherri puts people first and does so in a sincere and tangible way.

DILLBERT'S TRAVELS
Crown Point's mascot, Dillbert, has been traveling to each department of the store to help create positive team-building experiences and thus increase customer service levels. Our pharmacy department had a ton of fun hanging out with Dillbert for this week! He helped the technicians unload their orders and even also seen helping guests find the right vitamins. And all the while with a big smile on his face!

Innovative: Sherri's creativity and enthusiasm for improving service to our customers and communities knows no bounds. She has set up and managed register campaigns for the local American Heart Association of Northwest Indiana every February since 2017 raising over \$107,650 across the four Jewel-Osco stores in Northwest Indiana. This support has been instrumental in helping support those in need and also building the local brand of Jewel-Osco as a company that cares. Having had family members impacted by heart disease this is a personal passion near and dear to Sherri's heart that she has put into action. Per Diane Kemp, Executive Director of the American Heart Association, *"I have had the pleasure of knowing Sherri Ahlgrain for over 20 years, as a Jewel-Osco employee for over 40 years, she has been the inspiration behind the launch of Jewel's participation in the program and a blessing to our mission in so many ways over the years. We're so grateful for the opportunity to partner with Jewel-Osco."*

Results Oriented: No one takes more accountability in delivering results that matter and doing so with integrity, pride and passion. Sherri spends her days coaching, teaching and training her store teams on the "why" behind things, building in personal accountability for metrics that matter. She is business minded in all that she owns and drives, impacting KPI's around lottery, holiday bucks, gift cards and NPS. Sherri also works FUN into the equation, like planning an in-store trick-or-treat event that drives store sales up by 20%.

#thanksGIVING

Inspirational: Building partnerships that support our communities and teams just comes naturally to Sherri. She is the first one to engage in sponsorship of local schools, churches and kid's youth sports teams. An ongoing partnership example would be the Indiana Rail Cats minor league baseball team agreement that allowed for additional company branding and increased loyalty program participation by 7%. In her limited amount of spare time, Sherri is also a member of the Jewel-Osco Women's Inspiration & Inclusion Network (WIIN), one of the division's Associate Resource Groups and she regularly volunteers at the local food banks, participating in holiday food packing events for the less fortunate.

Team Player: One of Sherri's motto's is "We are never done." Never done hiring, never done finding new talent, never done instilling the same pride and passion in the next generation of Jewel-Osco leaders to carry us forward for the next 125 years. Sherri sets the standard on engaging in job fairs, succession planning and building bench regardless of department, store or district. There is never a time where Sherri doesn't have a plan for the 'next up' when it comes to promotions, backfills or movement of talent. In just the past year, she has helped promote five new Front End Managers, recruited an additional six into the management training program and helped mentor her newest Front End Customer Service Operational Specialist peer to early success.

Jewel-Osco is most definitely, 100% "**Better. Together.**" having Sherri on the team and creating **Customers for life.**

#3176 Chicago

Jewel-Osco partnered with PepsiCo to introduce 8th grade students from Chicago Jesuit Academy to the workings of grocery retail and employment possibilities. The young men had the chance to learn about store maintenance, build merchandise shippers, learn more about the careers of Center Store Ops Specialist and PepsiCo associates, meet leadership and ask questions. The students loved it with one young man remarking **“there is so much more to the grocery store than just bagging and stocking shelves.”** PepsiCo donated \$50K to Chicago Jesuit Academy after running a promotion to benefit the school.

*Congratulations to the store teams!

The Jewel-Osco **We Care** fund was launched to provide an easier and quicker way to voluntarily help your fellow associates who are experiencing a personal emergency, namely a death in the family, natural disaster, or medical emergency. These types of situations remind us of how quickly our lives can change, and without the necessary financial resources in place the burden can be emotionally overwhelming.

Since the inception of **We Care** at Jewel-Osco, you have helped fellow associates facing a hardship because of your voluntary, tax-deductible contributions. To put it another way, you have lifted the emotional weight from associates that were facing a short-term crisis and you made a difference in their lives.

With that support I'm asking all associates to please consider voluntarily giving to the Jewel-Osco **We Care** fund. It's a weekly contribution that comes directly from your paycheck and giving even \$1 a week can make a significant difference.

If you're interested in setting up a contribution head to **myACI** under the **My HR** tab and click the **We Care** tile to easily begin the weekly contribution process.

ATTN: Mr. Rob Nudo
Store Director

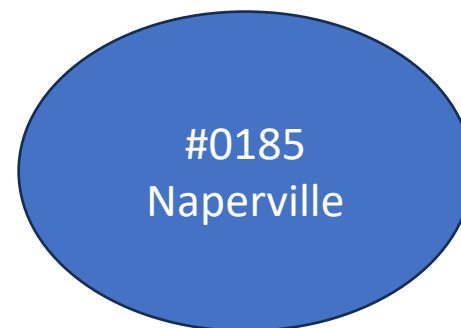

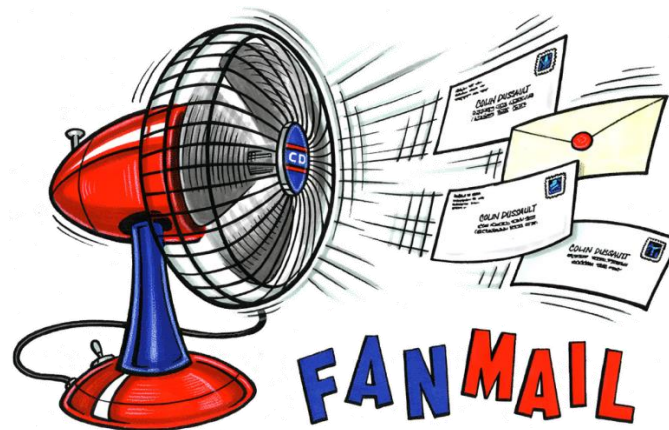

Dear Rob:

On three different occasions this summer, I contacted your Delicatessen Department to order food items from the Jewel Entertainment Guide for some 25-30 people who attended an after church friendship hour. One occasion involved an Italian Super Sub. The other two requests were for a 16" Finger Sandwich Tray and a party package of 48 pieces of Grilled Chicken plus rolls and a salad.

We received many compliments for this food which was carefully prepared, tastefully packaged and delivered to me in your store exactly at the 9 am Sunday time requested. On behalf of our group, my wife and I specifically want to thank Julie Small who headed these preparations with the aid of Christine Woltmann, Segdi Hysi and Elise DuFour.

We enjoy shopping at your store where we always have been well served by your helpful staff who quietly go about their diverse tasks but also lend cheerful assistance whenever requested.

Our sincere thanks to you all!

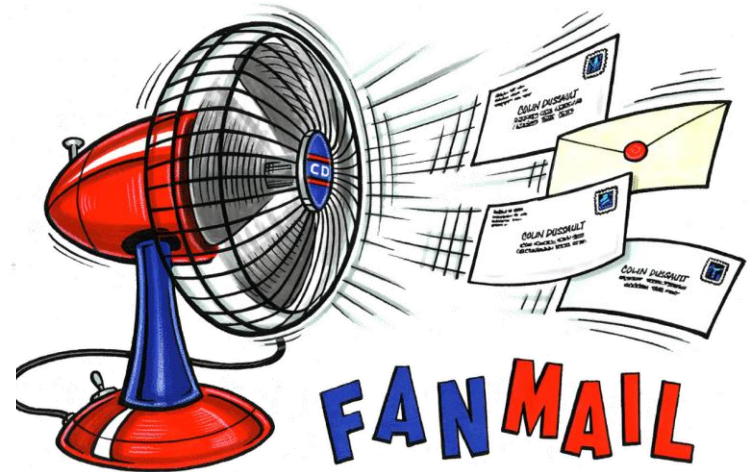

Dear Ms. Albright,

August 11, 2024

First we wanted to say how much we enjoy your store out of the several in the area we've gone to. One of the reasons is how well it is kept - and stocked, and your produce is fantastic.

But secondly, while we appreciate all of your cashiers, we adore "Beatrix." Beatrix is delightful, always smiling and very engaging. A true asset to your team. So much so we look for her every week. In a world full of complaints we wanted you to hear some positive feedback. Best regards, Alex & Zach

Good News Jewel-Osco

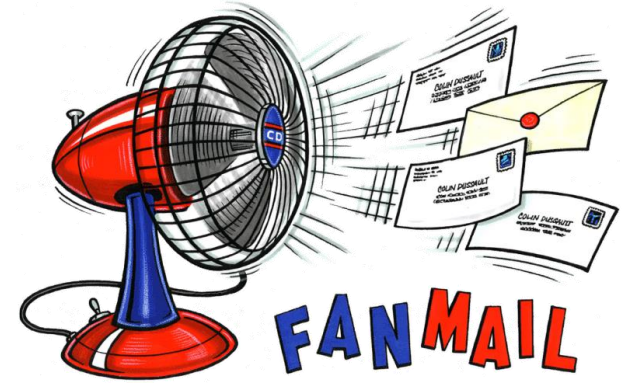

In my life, I have never had an unpleasant experience at Jewel. I love their deals and workers. Anytime I talk to a worker at Jewel, they are always the friendliest of people. Whether I am going to go shopping or just there for the buckets of chicken on a Friday for the sweet deal, I am always in and out, quick, and simple, never having to wait too long.

If I had to recommend anything though, it would be a struggle. I do not see any problems with Jewel, and I do not know of anything they can improve on. In my eyes they are a perfect store already, glad to be a customer there. I hope that this little letter can have a big effect on how you all view your work. It means a lot to us consumers when you blow us away with an experience, something as simple as a smile can make someone's day.

Mr. Cale Clay
Director, Jewel/Osco Store 3230
Danada Square West
Wheaton, IL 60187

Dear Sir,

I would like to commend to you Danada Osco Pharmacist Rachel Sorce for her expertise, patience, kindness, wisdom, accuracy, and thoroughness in obtaining my medications which involved expertly navigating labyrinthine Medicare regulations and explaining points of Medicare compliance to my physicians so that the prescriptions would be approved and delivered.

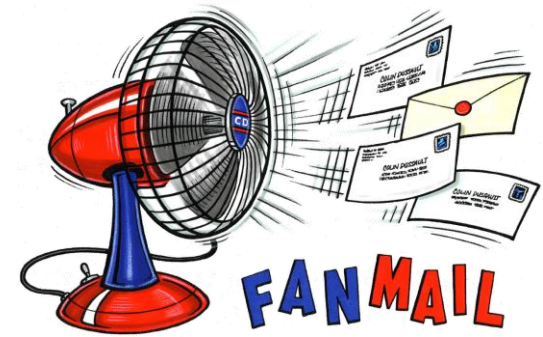

I was discharged on 8/8/24 with instructions to pick up my prescriptions from Osco Drug, Danada, Wheaton. Unfortunately, the prescription orders from the hospital were Medicare non-compliant. Ms. Sorce told me that I would need to contact the hospital, tell them the prescriptions were Medicare non-compliant, and refer them to her for elaboration.

However, because I had been discharged, the hospital would not reissue amended prescriptions nor the needles which Ms. Sorce said that they had neglected to prescribe.

Ms. Sorce kindly and patiently gave me an overview which helped me to understand the general picture and communicate with my personal care provider who corrected and resent the prescriptions. Unfortunately, these prescriptions also included non-compliant elements and had to be revised.

Through all the recurrent muddy, gloomy miasma, Ms. Sorce was a smiling, encouraging beacon of light on whose professionalism I relied and to whom I am exceedingly grateful. She went above and beyond her duties to help me and her knowledge and friendliness inspired confidence in a situation that was confusing and scary for me.

Please reward Ms. Sorce suitably for demonstrating the highest quality of personalized, professional service on which Osco prides itself.
